Subject: Re: Connick Papers

Dear Nan:We did issue a press release about the Supreme Court's action. I can fax it to you -- what is your fax number? This now means that D.A. Harry Connick, Sr., must turn over to the Board the original Garrison investigative files in his possession.I will try to see what I can find out about the use of the films. What does seem clear is that the status of both films is in limbo. Who did you talk to about the Alyea film?EileenTo:Eileen_Sullivan @ jfk-arrrb.govcc:bcc: Eileen Sullivan/ARRB)From:nwaffen @ erols.com @ INTERNET @ INTERLIANT Date:05/19/98 12:56:43 PM CETSubject:Connick PapersHello Eileen!Thanks so much for getting back to me yesterday with the answers to myquestions. The info was very helpful!! just heard from one of my contacts in New Orleans that the SupremeCourt ruled yesterday on the Connick papers. Any chance you aregenerating a press release on the matter? Could you fax it to me if youhave a moment? I would love to add it to our research files. Does thismean that Harry Connick Sr. must release all of the Garrison papers tothe ARRB? Good job!! am having trouble getting permission from the Kennedy Library to use the Powers film. Apparently the family has not decided how it is to beused -- and by whom -- even though it was released to the media previously! So now I am exploring the possibility of utilizing the Alyea film. Do you have a copy of that? I understand it, too, was notproperly deeded but I am not sure who to contact with regard to use.Any suggestions?You may hear from Todd Easton -- he has started the writing process andmay have some questions that I can not answer...so thanks for helpinghim if you can.Have a good day. Talk to you soon.nan
