Subject: Re: federal register question

Works for me. I'm assuming that you'd process the WC docs with DOJ equities like you'd do any other doc with equities.

i spoke with kim, she said she had a total of 5 documents, 1 was a doj document, and the other 4 were Warren Commission docs with DOJ equities. She said she gave this list of docs to you. So can you tell me where the notice letters need to go? I am thinking the one should go to Frank Newett at DOJ as Kim suggested for the one document that is a n actual DOJ Document, and the other 4 maybe just a notice to Nara about the WC docs? Let me know what you think, we may need to ask Kevin too. Thanks a bunch, Cathy

Good question. That was one of Kim's, so I suspect it's SS, but you should ask her to be certain.

there was one consent release for DOJ. Is that something to do with Secret Service, in other words, WHO should get the letter, SS, or DOJ? And if it is DOJ, who at DOJ should it be addressed to?
