Finn received her puppy beginners' obedience class certificate last night (with blue star signifying perfect attendance,no less!), as well as a separate canine good citizenship certificate for passing all ten canine good citizenship tests!! can now go to the concert in good conscience!See you Tuesday (yippee for me!). I guess I'll wait to be briefed by you/Kevin before heading over? (Since I can't recall what the project might be -- and I'm not just being mysterious or extra-extra-secure!).Have a great weekend!
