No need to call. I think he was doing what FBI agents do, making the rounds of his sources of information.  
**Body:** To: Kevin Tiernan/ARRBcc: From: Laura Denk/ARRBDate: 05/28/98 09:34:57 AMSubject: Re: classification standardsI will be happy to give him a call to remind him of this, but I told him on the phone last week that my draft of the chapter would not be ready until May 29 and that Jeremy would have to review it, edit it, and approve it before I could send it to him. When I talked to him about it on the phone, he said that he was in no hurry -- that he did not expect to be finished with his project for months and months. Do you think I should call him and say all of that again?
