What's the excitement over the mystery man photos? I thought that they have been at NARA for a long time? At any rate, they can be located. Irene thinks that she may have something on them with her stuff. Let us know what you think you might need and she will gather the information she has.Thanks.To:Bob Skwirot/ARRBcc:From:Eileen Sullivan/ARRB Date:06/01/98 10:18:14 AMSubject:Re: requestdo you know where this material is? Nan Waffen, who is doing a documentary on the Board, would like to know. thanks.\*Can you tell me where the surveillance photos of the "mystery man" fromthe Embassy in Mexico are located? Jeremy made a reference to them inour first meeting -- but I am not sure if they are still with the Board-- or if they are now at the Archives. We would like to locate them sowe can shoot them on tape next week.
