Subject: Re: Report-copies needed

Body: Rollie, 4 copies is fine, given the voluminous nature of your enclosures. Thank you for asking. To: "Doug Horne" <Douglas_Horne @ jfk-arrb.gov> cc: [REDACTED] bcc: Douglas Horne/ARRB) From: zavadarc <zavadarc @ netacc.net> @ INTERNET @ INTERLIANT Date: 06/08/98 07:08:12 PM GMT Subject: Report-copies needed Doug, I developing plans of publication of my four part report to ARRB, I need to know how many copies you need. I know Jim Toner sent you six - is that sufficient? My early need-to-know is based on the significant number of attachments I expect to include: report - patents, pictures, manuals etc could easily exceed 100 pages. Also, do you expect me to provide copies of all correspondence developed in my investigation to gain data -- or are the synopsis of input and report conclusion sufficient? Possibly we should talk. Rollie
