Subject: Re: Report-copies needed-Revised (Final) Answer
Rollie, please provide four copies.And...we DO WANT copies of all of your correspondence to and from witnesses and experts, from which you based conclusions. It is very important that everything we do, especially in the Z-film area, be "transparent" to the public. This will increase the numbers of pages in your enclosures, but perhaps make your summarizing easier.To: "Doug Horne" <Douglas_Horne @ jfk-arrb.gov>cc: "Douglas Horne/ARRB"From: zavadarc <zavadarc @ netacc.net> @ INTERNET @ INTERLIANT Date: 06/08/98 07:08:12 PM GMTSubject: Report-copies neededDoug, I developing plans of publication of my four part report to ARRB,I nee to know how many copies you need. I know Jim Toner sent you six -is that suffficient? My early need-to-know is based on the significantnumber of attachments I expect to include: report - patents, pictures,manuals etc could easily exceed 100 pages. Also, do you expect me toprovide copies of all correspondence developed in my investigation to gain data -- or are the synopsis of input and report conclusionssufficient? Possibly we should talk. Rollie
