That's fine. I can have it ready for you today, and you can come by or send a courier for it any time this week. None of the other names mentioned below appear in the witness testimonies we have. I suppose it is possible the names come up in someone's testimony, but there are no transcripts of testimony with those people. Also, I'm assuming that Carlos Bringuier did not testify to the Garrison grand jury because you didn't cite it in the press release but if there were anything in these new records from him I would be interested. And while I'm fishing, I should mention my interest in the following people whomay have talked to Garrison: a man named Gil, First Name Unknown; Carlos Fernandez-Freyr, George Higginbotham, Isidro "Chilo" Borja, and any Garrison communications with the CIA. Please don't expend anytime checking these names. I'm just wondering if you know, off the top of your head, if these names crop up anywhere in the new material? Thanks for all your help! \ Jeff "Eileen Sullivan" <Eileen\_Sullivan@jfk-arrb.gov> on 06/09/98 11:02:56 AM To: Jeff Morley/news/TWP cc: Subject: Re: ARRB press release Jeff: I can do that. Just let me know when you would like it. Is there any easy way you could make a copy of the Carlos Quiroga testimony and save me a trip to Archives II. It would be very helpful to me. Thanks,
