Subject: Re: 6/10 appointments

As I suggested, I will do the whole time since you will have to cover more for me on Board meeting days and on June 19. I will need you for necessary breaks. Thanks. The other possibility for change in this plan would be if I needed to do something else back here at my desk for some reason.

I forgot to let you guys know yesterday about this. The phones will need to be covered from 10:30 (after the staff meeting) until Janice returns at 2:00ish. Why don't the two of you work out what's best for your workloads today and let me know. Please remember to bring work up front with you. If you don't have anything that you can bring up there, please see me and I'm sure I can give you some! Thanks.

Appointments are 10:30 am and 12:00 noon tomorrow. I will need to leave at 10:00 am and hopefully return by 2:00 pm. That's it for this week unless something else arises. Thanks!
