PMSubject: John F. KennedyCarol called yesterday to say that she is sending out one last electronic  
communication to all of the FBI field offices to request any stray core and related file documents that may  
have possibly slipped through the cracks. As you know, "John F. Kennedy" is not a core or related subject,  
although the "JFK Assassination Investigation" is a core subject. Carol wants to know whether we would like  
for her to include in this last communication a request for any field office main files on John F. Kennedy. What  
do you think?
