Subject:	Re: Chapter 2 - Review Board and Staff
	I think a format and then several tests to make sure the numbers are correct.We have notes reporter and Visual Basic that can pull numbers from notes and format them so I think we should look at the other year end reports and then come up with a format.If you want to hold a meeting let me attend by phone if I am not in that day.To:Eileen Sullivan/ARRBcc:Peter Voth/ARRB, Chet Rhodes/ARRBFrom:Michelle Combs/ARRBDate:06/10/98 07:12:27 AMSubject: Re: Chapter 2 - Review Board and StaffYes. Pete and Chet and I have been discussing the types of available statistics and the most useful way to present them. We talked about this right before I went on leave but I don't think anything has yet been decided. Chet? Pete? We are going to develop a format and then update the statistics at the latest possible moment before the Report goes to the printer.To:Michelle Combs/ARRB, Peter Voth/ARRBcc: From:Eileen Sullivan/ARRB Date:06/09/98 07:44:22 PMSubject:Chapter 2 - Review Board and StaffChapter 2, Section E:"Summary of Board's actions on records [w/Michelle and Pete]"I assume that this has something to do with statistics, but I don't know or don't remember. Does this ring a bell with either of you? I am submitting my draft on Monday (presumably anyway) and we should discuss before then -- I will also go over with Jeremy before we proceed.
