AMSubject: Sorry to be a big pain, but I have a request. As you already know I will be leaving early today
(since I worked late on Friday). I was hoping I could work an hour or so late on Wednesday so I could leave
early on Thursday. I am flying to Florida Thursday night so I would like to get as much time as possible to get
to the airport. I am not planning on having a wacky schedule all the time, I guess this is just bad timing. Please
let me know if this is OK.ThanksAndrew
