**Subject:** Re: we need to talk about the documentary

Thus far, the Board has said "no" to filming inside the office. We would need to get them to change their minds. To: Jeremy Gunn/ARRBcc: From: Eileen Sullivan/ARRB Date: 06/15/98 11:34:02 AM Subject: We need to talk about the documentary Todd Easton, the producer, called. Indigo Films would like to film footage in the office this week. He mentioned Wed. because they have a crew on stand-by for that day. I told him the Board will be behind closed doors for the most part, and that he cannot film in the conference room. He would like to film staff members working at their desks, going through files, etc. He said it will take about 1/2 day. I asked if he could do this tomorrow while I am here, but he doesn't think he could assemble a crew that quickly. Pending her schedule, maybe Jessica can escort them? I will be out of the office Wed-Fri, and Mon.
