**Subject:** Staff Memo Appendix--NBR memos

I think we covered this in the meeting but just in case.....Laura, Kevin, Doug and I would know of any NBR memos for our areas of responsibility. With the exception of Manuel's (which I e-mailed to you) I wrote all the CIA ones and have included them on my list. Why not e-mail Laura, Kevin, and Doug with a reminder to send you the titles, dates, etc. of any NBR memos they have written?

Michelle, like i said, i don;t have a single file with just memos written by staff members. I only could go by memory, which since i service all of R&A, is not too reliable and specific. Therefore, I can remember an NBR memo Laura wrote, but thats about it. What would be a good way to ascertain all of them? another email to the staff?  
Jeremy, any thoughts?

Let's include them since there are not very many. Jeremy can decide what to do with them when he sees the list.

Good question. I don't know. I have mixed feelings. Let me think about it and ask me again.

Do you want the staff memo appendix for the final report to include NBR memos?
