Subject: Re: Personnel Forms
I haven't received a copy back from GSA of your title change. I'll call them and find out why and let you know. I can give you the special assistant one now. Come see me when you get back in the office for it.

Subject: Personnel Forms
Do you have SF50s (the personnel form that lists titles and salaries) that list my "special assistant" and then "associate director" titles? If you do, can I get copies for my personal records. If you don't, can I request a copy of at least the "associate director" one? I need to be able to "demonstrate" my current title and salary level to future employers both now and in the future. Thanks.
