From: Cathy Rodriguez/ARRB Date: 06/22/98 01:42:00 PMSubject: Question re navyas u know, i am plying for a job in the navy. I have a question - in the Army we hav e what are called AR 15-6 investigations for when say a soldier starts his room on fire, or quarters, or some valuable piece of equipment is stolen from the orderly room or whatever. Do you have these investigsations with an investigating officer and a regulation in the navy? I d on't mean a courts martial or pretrial investigation, nor do I mean an IG investigation, this is different. Let me know. Thanks a lot, cathy
