Subject: Re: Document release?/ second attempt

The Board has made determinations since April 30, 1998, namely on May 12-13, June 4, and June 17. These meetings were noticed in the Federal Register (the meeting held on June 17 will be noticed shortly.) If you would like hard copies of these Board determinations please let me know. Regarding future meetings, the Board is tentatively scheduled to have an open meeting on July 7th, which may continue on to the 8th. I will let you know once this is finalized. I will send you a copy of Jeremy Gunn's March 25, 1998 testimony before the Committee on Governmental Affairs, along with as much information as I can provide. Is there anything that I can answer for you regarding Indigo Films? Is another open meeting on the horizon? If so, when is it scheduled, or tentatively scheduled? Can you give me contact information for Indigo Films? Could I have a copy of Jeremy Gunn's statement with accompanying materials from the Hearing before the Committee on Governmental Affairs on The Government Secrecy Act of 1997 held Wednesday, March 25, 1998. Please include the RIF numbers with the documents he used, full RIF's with Assassination Records Review Board Formal Determination Notification forms as well, if possible. Thanks. Joe Backes
