Subject: Re: Visit

Bill,I checked with Michelle and she had not heard back from the CIA yet regarding the documents. She did say that Friday was definitely out so maybe Monday will work for that (although she didn't really think that day would work either.) She was going to let them know about Monday and hope to hit pay dirt!! I think the staff would be receptive to your visit anytime! Monday would be fine. Do you know if it will be in the morning or afternoon? Did you want me to arrange anything for you or just play it by ear? See you on Monday.

As you know, I was planning to come to the Review Board Friday, and could still do that if that works best for you and the staff. I do, however, have something scheduled Friday afternoon, and wonder if Monday would work for me to come by then. Also, Michelle Coombs was trying to arrange for me to see that sensitive CIA document on Friday afternoon. Could you ask her if Monday might work? I'll come Friday if that works best, but would ask to switch to Monday if it's as broad as it is long for you and the staff... Many thanks.
