Subject:	Re: June 17 Meeting documentsI think that we can just hold on to the one document that you need for reference purposes and send the rest to CIA. We need to make it clear that we have retained the record, and we must be sure to send it along as soon as we can. I'd prefer that we send the meeting documents early next week. Let's talk about this tomorrow. It seems to me that the Bagley Report is a bear. If we can resolve this while you are away, let's do it. But if it is complicated, and would be more effectively handled when both you and Dick are in the office, let's wait until later.

An annex to the Bagley Report is in last meetings batch and I need it as a reference. Let me know if this is a problem. I could also explain the issue to one of you and let you take care of it, if that would expedite shipping the docs out to CIA. I expect, though, that they're not in a position to deal with this meeting quite yet. Let me
