Oswald had to have had help, I don't know who though. Could be just a "Cuba" thing. I don't care either way. I am just tired of all the debates, worthless books, and finally, the most unfactual movie ever made which was claimed to be based on history. Have we gotten anywhere? Is there a direct link between Oswald, and Cuba? I think that's exactly what happened! Not the U.S. Gov. .. I'm betting on Cuba. What do you think?> And what do you know?Christina. - att1.htm
