Subject: Re: COPA National Conference - Dallas, 1998
 Dear Jack, I spoke with John Judge today. They had a voicemail message a while back but apparently he was away and is still going through them. Sorry for any confusion/inconvenience. He is so pleased you will be coming to speak at the conference. Right now you are scheduled to speak in the morning on Sunday, November 22. However, they will schedule your talk whenever it is best for you. Do you have a travel itinerary preference? Fly in Friday or Saturday? Leave when? They will plan the schedule to fit your needs. He sent the information below for now. He will send more information as it comes. In the meantime, let me know if you have any questions, and I will forward them on to Mr. Judge. take care and I'll see you next week. Happy Fourth of July!
