Subject: Thursday

Body: It appears that several federal offices will close early on Thursday. I would like to close this office at around 12:30. (The staff does not know this.) I hope this is okay. I also was not certain when you might be coming to the office. Please let me know if there is any problem. I am writing this message on Tuesday afternoon. I don't know whether you are in DC or Minnesota. I wasn't able to reach anyone at your chambers, but I will leave a message for Debbie to convey it to you.If I don't see you, have a nice 4th.Jeremy
