Subject: Re: Chapter 1

Body: As it happens, I have a hard-copy draft (dated Feb. 18, 1997) of the FY 96 Report, which I must have requested at the time for the sake of my own enjoyment, which I have already re-read for purposes of drafting Chapter 1. I'll check the final version to see if it's significantly different, though. Eileen, thanks for sending it along.
