Subject: Re: timesheets

I'll put you in for 8 hours this week and we can make any necessary adjustments on the next pay period. Hope your vacation was great! Did you golf well?

Sorry to be untimely! No hours from last week's vacation in Charleston, S.C. (I did bring reading w/me, but ended up nodding off at poolside instead). Only 5 hrs. this week through the end of yesterday. Don't know how many hours I'll get in today. We could estimate three, or just include the actual number in next wk.'s totals, whatever you think best. Thanks for remembering me at timesheet time!

I have to do timesheets tomorrow (Wednesday). Do you have any hours from last week or this week that I should know about? Thanks.
