Subject: Re: Visit to ARRB/NARA

I just called Jamie to confirm that we are still on and get a resolution on photographing of the films. I have no idea what he is going to say. I hope to hear back from him this morning. Please check with Tracy, at home, about how we want to handle Rollie's ticket (assuming that he is coming). As far as I understand, he should NOT purchase a ticket and then try to get reimbursement. We presumably can get him an e-ticket. In any case, let Tracy know the situation and tell her we need to work on contingencies until we get a firm answer from Silverberg. There is no use bringing Rollie here if he cannot view the LMH Co. first generation copy. My suggestion for travel would be that I would like to depart mid-day the 8th and return on a late flight on the 9th. As I mentioned in our recent telephone conversation, I'm flexible and can stay thru the 10th. I anticipate that I should plan to bring all camera equipment. Advise your plans for ticketing - I can purchase here if necessary and submit an expense form later. Hope you had a nice holiday weekend. Regards, Rollie
