Rollie: We still don't have a firm answer from the LMH Co. (Jamie Silverberg). Jeremy has left yet another message with him this morning requesting clarification. We hope he provides that today. I have spoken with our Admin. Dept Head, Tracy Shycoff, at home (she has the day off today) and she assures me that there is plenty of time for her to arrange an electronic ticket for you tomorrow morning, if Silverberg and LMH Co. give us the go-ahead today. All you would have to do is show an I.D. at the airport, and you would be on your way. Likewise, she would also make a hotel reservation for you tomorrow morning, if we get a "go" signal. She would reserve the hotel (presumably in Crystal City) with her own credit card, you would pay for it with your credit card, and then get reimbursed later. BUT---please don't arrange your own airplane ticket. That's a no-no. Bottom line: for now, plan on coming, and bringing your own camera equipment, but don't pack yet. I anticipate calling you sometime tomorrow with clarification. Thanks for your patience. Doug

Subject: Visit to ARRB/NARA  
Doug, Time is getting short to finalize travel plans for proposed July 9 visit with July 8 travel. My suggestion for travel would be that I would like to depart mid-day the 8th and return on a late flight on the 9th. As I mentioned in our recent telephone conversation, I'm flexible and can stay thru the 10th. I anticipate that I should plan to bring all camera equipment. Advise your plans for ticketing - I can purchase here if necessary and submit an expense form later. Hope you had a nice holiday weekend. Regards, Rollie
