Subject: Re: "Key Provisions of JFK Act"

Good question. I would suggest that you identify what you perceive to be the key sections (sort of from the perspective of the drafters of the legislation) and say something about them. The section-by-section analysis will necessarily overlap to some extent, but will have a different focus.

I notice in the FY 96 Board report that a section exists entitled something like this. There's no such section in my outline! Can I assume that any general blather about "key provisions" would be included in Ron's Section-by-Section Analysis part of Chapter 1? I intend to make general reference to the unprecedented, paradigmatic nature of the citizen board, independent w/strong powers, etc., but don't intend to get into specific provisions unless instructed otherwise.
