**Subject:** Re: Chapter 6  
Thanks for the reminder. I will absolutely give you the first draft of our sections (i%\$i%\$ 5, 8, 9, 15B, and the names from i%\$ 23) before I go home tomorrow night. As I told you on Monday night, my goal is to give you our sections before I go home this evening (and I still may be able to do that.) But after we talked on Monday, Jeremy asked me to coordinate the preparation of a package of documents with foreign equities to go to the State Dept. today, and with the Board in town, tomorrow may be a more realistic first draft completion time.

Jeremy is looking for a complete first draft of Chapter 6 very soon. Could you give me an estimate of when your contributions are likely to be complete? If anyone is confused on their designated subjects, please let me know.
