ReturnReceipt: To: Jeremy Gunn/ARRBcc: From: Irene Marr/ARRBDate: 07/09/98 11:54:25 AMSubject: Final Report - Chapter Six
Categories: Up until yesterday, the only assignment I was given on the Final Report was the Marty Underwood section which I completed and e-mailed to Eileen in time for her deadline Tuesday morning. Yesterday I was informed that I was responsible for additional sections of Chapter Six. Since I hadn't been involved in any of the Final Report meetings this came as a surprise. This means that I will need additional time to complete my sections since obviously I missed the deadline. Michelle didn't think this would be a problem, but I probably won't have my draft finished until late next week. I hope this won't adversely affect the production.
