Subject: Re: Jobs! Urgent Request for Resumes

Thank you Jeremy. Yes, I am interested. Do you know anything about the project and the positions they are creating? I will give you my resume on Monday. (Unless Tracy still has a copy of the one I gave her yesterday. In which case, I can get it to you sooner.)

AMSubject: Jobs! Urgent Request for ResumesI just spoke with the person who is now coordinating the creation of a new agency that will be declassifying records related to Holocaust assets. He was VERY interested in obtaining resumes from people who have experience and who have clearances. I told him we have several excellent people. Please let me know promptly if you are interested and would like me to forward your resume.
