**Subject:** Re: At least I sent something to you this time...

I just tried to call, but your line was busy. I will try again in a few minutes, but if I don't get you here is the info. Matt and Kris are at 501-5350. There were twelve volumes printed by the Kennedy side of the HSCA, two administrative volumes (which I do not think I have ever seen or the Board library ever possessed) and one final report which deals with both Kennedy and King. I guess the administrative volumes probably address both issues as well. I haven't found the fax yet. I faxed it; make sure you get it. However, I do have two more (easy, I hope) queries: Matt and Kris's phone #. My personal contacts database has disappeared from my computer here in Phoenix, I don't know why. I wanted to ask one of them a question. HSCA Volumes. I'm embarrassed to say I don't remember the following: I keep reading references to the 12 supporting volumes of HSCA material published along with the Report. Were there twelve in all, including MLK, or does the number 12 refer only to JFK material? If the former, how many of the twelve are JFK, as opposed to MLK? Thanks, as always.
