**Subject:** Re: Good Night America Zapruder showing  
Trask says the Goodnight America showing was on March 6, 1975; he says the Rockefeller Commission showing was earlier, in February. The Goodnight America showing was preceded, he says, by a public showing at a symposium at Boston U. on January 31, 1975--and I believe Tom Samoluk was there at that one!!!! Ready for my beer now!  
**Body:** To: Dougcc: From: Joseph Freeman/ARRB Date: 07/15/98 10:05:38 AM Subject: Good Night America Zapruder showing Does Pictures of the Pain give a specific date for the Good Night America showing, or for the showing of the film before the Rockefeller Commission? I know both are in the Feb-April '75 time-frame, but I don't have the specific date. Not a crisis.
