Subject: Re: Bd mtg

Unless it has been changed without my knowledge, it is still as shown on your Fed Reg Meeting notice as 10:00 a.m. on July 21 - there was some possibility of a briefing that morning which would interrupt it, but I don't know whether that has been firmed up or not. I do not have a finished draft agenda to send in this fedex package and Jeremy said there may not be one included. You might check with him later this evening for a more definitive answer.
