Dear Deb,Have you heard that we will be releasing the medical deposition transcripts this month? They will be available for purchase "at cost." You will be hearing more about this soon.On another item, I have resigned as Executive Director and General Counsel effective July 24. I thought that this news might have an impact on your invitation to me to speak at the conference in November. Although I am still willing to go forward as planned, you may seriously wish to reconsider. Just let me know.Best,Jeremy
