Dear Debra, Thanks for your message. If you were considering inviting Riebe, you may wish to read his deposition transcript before doing so. Of all the witnesses, he had the most surprising turnaround. I was able to obtain a position that interests me and pleases me greatly: I will be the Executive Fellow at the United States Institute of Peace. I had hoped to be able to complete my work at the Board, but that did not work out. It may be best for you to keep in touch with me at my other e-mail address: JeremyGunn@aol.com
