It is far from forgotten.To: Jeremy Gunn/ARRBcc: Ron Haron/ARRB, Laura Denk/ARRB From: Douglas

called me today and began to discuss with me the mechanics of getting Kodak up here to photograph Z-film in
the Archives, for inclusion in their technical report.I told Jeff that I would be discussing details with Jim Toner
of Kodak on Thursday, and he and I began to work together to implement the mechanics of this evolution,
which will not take place now until the second or third week in August due to Rollie's vacation.Jeff checked
with Jamie, and Jamie said that LMH had not yet received the Deed-of-Gift from us. I thought I had better
remind you of that, Jeremy, before you depart.
