Subject: Re: Info for Chapter 1

I misunderstood your question - I thought you were talking about ancient history, thus item number 6 on that agenda I sent. National Security, International Affairs and Criminal Justice Subcommittee, House Government Reform and Oversight Committee Hearing on H.R. 1553 was June 4, 1997. I have been looking through meeting agenda and minutes of open meetings and have thus far not seen where a formal vote was actually taken re asking for an extension. The Board went to meet with Stokes on 2-13-97. I haven't checked closed meeting minutes to see if there is a formal vote there or not. After I get a chance to do that, maybe I'll ask David or Jeremy if they recall any formal vote ever being taken. It seems to me that the decision just "evolved." I'll continue to check, but so far this is the best I can do. To: Jerrie Olson/ARRBcc: From: Joseph Freeman/ARRBDate: 07/22/98 09:43:21 AMSubject: Re: Info for Chapter 1Great! Thanks, Jerrie! I should have thought to ask you weeks ago! Any luck on the second item, re: meeting at which Board voted to extend itself for a year? This probably would have been in mid-to-late '96. Thanks again!
