We were able to arrange a semi-private atmosphere and provide allthe staff with food and drinks. All indications are that it was very>successful--Jeremy seemed to enjoy himself and the staff definitelyenjoyed the chance to relax away from the office after some tense weeks!Kevin made the traditional mock book cover and I believe his effortsrivaled the legendary Tom Samoluk covers. The cover was for a new book byGroden identifying the three tramps as Jeremy, David, and Tom thanks to thenew digitization of the photograph--you should ask Kevin to see it nexttime you're here.>>I mentioned to a few of you at the last Board meeting that we were hoping>to do this party for Jeremy and the staff and you expressed an interest in>helping us pay for it.
