Subject: Re: Ford Library document

Thanks. I 'll leave that up to you. The reason I ask is because a member of the research community has been asking about this document for 3 years, and I thought I could send it to him as soon as it was transferred to NARA, as a courtesy. If you think the other document will take until October to be transferred, let me know. thanks.To: Eileen Sullivan/ARRBcc: Michelle Combs/ARRBDate: 07/31/98 07:52:34 AMSubject: Re: Ford Library documentIt has not happened yet because of the quantity of documents which need to be transferred and because we are one document away from being finished with Ford Library and I had thought to wait until all the documents were ready. If you need the documents transferred earlier, I can arrange it. Except for the one document waiting for the OSD folks, the others are ready to go. Let me know.To: Michelle Combs/ARRBcc: Eileen Sullivan/ARRB Date: 07/28/98 12:53:21 PMSubject: Ford Library documentOn July 8, 1998, the Board voted to release document number 178-10002-10093, deposition of Richard Helms, April 24, 1975. Jessica told me that there were some efforts to arrange that these records be transferred to NARA in the near future. Do you know if this happened or if it has been arranged? thanks.
