Subject: Re: Staff medical issues memo
I do not have it to my knowledge. I will look in the computer to see whether Jeremy put it in his g or t drives instead of his e. If it is in the e, Tracy can get it.

Do either of you have an electronic copy of the medical issues memo that was issued with the depositions last week? It is scheduled to also be included in Chapter 6 of the Final Report but I don't have a copy. If you don't have an electronic version, do you know who does or should I ask Chet to find a copy? Thanks
