Confirmed. You should probably tell her that we will try to start promptly at 9:30, but it may ultimately be more like 10:00. Thanks for setting this up, Irene.

August 26 is fine with her. She will plan to be at the office by 9:30 a.m. unless we tell her otherwise. Please confirm the date. If you have a specific time, or believe she should be here earlier, let me know.
