Subject: Re: release of depositions query from Kate
Dear Kate:It has been quite hectic here but I wanted to let you know that, unfortunately, tomorrow (Friday August 14) is the last day that we are accepting orders for the medical depositions. They will be transferred to the National Archives after that.You asked about the final report as well -- the final report will be available to all, and you will be notified when it is available and how to get a copy.Eileen
