Subject: Re: Tom Wilson

We should extend to him our final offer (in writing) and give him a maximum of 4 hours (he wanted 2 days originally, remember?) to present his data in our office. Our letter should specify that we do not indict people, do not do prosecutions, or pursue perjury allegations, nor is it our function to recommend that Justice do so, but that if desires, he can donate his data to us for inclusion in the JFK Collection. To: Laura Denk/ARRB, Douglas Horne/ARRBcc: From: Eileen Sullivan/ARRB Date: 08/19/98 03:10:25 PM Subject: Tom Wilson Tom Wilson, a member of the public, has at different times throughout our tenure requested that he be allowed time to deliver a presentation to the ARRB regarding "evidence" that he has in his possession. A friend of his (Rick Russo) that I have spoken to many times called on his behalf to see what the status was. I told him that I haven't forgotten Mr. Wilson's request, but that we are quite busy here. The last I spoke with Mr. Wilson he wanted to hold the meeting in Senator Specter's office (his Senator, and he has written to Specter about this on several occasions). I do not think that would be appropriate. I suggest (and I seek input) that we ask Mr. Wilson to come here on a day that is good for me and Doug, and give him a limited amount of time to make his presentation. His "evidence" has something to do with the Zapruder film and computer imaging (I could be more specific but I do not have his file at my desk.) thoughts? comments?
