Subject: Re: CIA and NSA paragraphs
Michelle,Thanks. I'll include the Claudia/Lee stuff. I'm not sure whether we are having a staff meeting, but even if we do, it probably won't be all that thrilling. I envision: "Update: We are working on the Final Report. Thank you. Meeting adjourned." So, you should go straight to CIA and not drive a million miles.LauraTo: Laura Denk/ARRBcc: From: Michelle Combs/ARRB Date: 08/31/98 02:36:52
PMSubject: CIA and NSA paragraphsI am still missing the information from Barry but I thought I would ship this anyway. I hope to fill in the numbers for you this afternoon but Barry is still out of his office.If you can, please try to include the last sentence of appreciation for Claudia and Lee of NSA. They have been very cooperative and helpful.Are we having a staff meeting tomorrow? If I don't need to come in, I will go directly to CIA since I am not going out there today.
