**Subject:** Re: Leave Request

These are fine. As we discussed, if you can possibly change the Dr. Appt. on the 8th it would be helpful since the Board will be here. However, if you can't it is not a big problem since the Board will not really be meeting on the 8th but rather spending the entire day reading the final report and therefore won't need staff support. Jerrie and Cathy will work out the appropriate coverage and let me know if they have any conflicts.
