Subject: Re: first experts conference

Eileen,I was here (like Kilroy) in May 1995 and I have a file on the Experts' Conference. But, better yet, I have a WordPerfect document that constituted the official notes of the thing. (I should disclose that I didn't do this on my own volition. Jeremy assigned it me.) I will e-mail it to you now. Enjoy.LauraTo:ALLcc:From:Eileen Sullivan/ARRB Date:09/02/98 03:26:44 PMSubject:First experts conference[THIS MESSAGE IS REALLY ONLY FOR PEOPLE WHO WERE HERE IN MAY 1995]In my section of the report I make reference to the first experts conference, which was held in May 1995. I did not attend that one, and I am asking you for any recollections you have about it. Laura provided one highlight (how the ARRB reviewed and released FBI surveillance on Carlos Marcello as a direct result of R. Blakey's suggestion.) We would like to include one more highlight, so if you would like to tell me a story, I'm all ears.thanks.
