Subject: Re: Three questions...

Body: I just received this e-mail. Sorry I didn't respond earlier.1. I will give you the copy that goes to Elliott today so that you can do your fact checking. Please don't feel singled out -- I did the same thing with Kevin/Bob's chapter, Ron's chapter, and Eileen's chapter. We just need to keep getting these chapters to Elliott so that he will be able to start on them. We will absolutely edit the text to correct inaccurate facts. 2. If you need a vote on records on Tuesday, we will schedule a short closed meeting on Tuesday to vote. Otherwise, the closed meeting will be Wednesday.3.   Ugh re: the McCone records. Did you take notes as to which records you identified?To:Laura Denk/ARRBcc: From:Michelle Combs/ARRB Date:09/03/98 12:06:49 PMSubject:Three questions...1. When will the new and revised Chapt. 6 be ready for review. I have one or two changes/additions and I would like to make sure that editing changes have not changed any of the facts. 2. I understand the Board is spending Tuesday reading the Final Report. Does this mean that votes on records (PFIAB) will be on Wednesday? 3. Barry's folks have misplaced the review copies of some documents which had been marked as assassination records from McCone's files several months ago. At this point, we can see no alternative but to have me go back through the McCone records and re-identify the documents. This needs to be done as soon as possible to get the documents indexed, reviewed, and to the Board. If the Board is not meeting on documents on Tuesday, do you see a problem if I spend Tuesday at IP? Ordinarily, this is not something I would do but, as you know, time is ticking away.
