Subject: Re: Next meeting

Body: Dear Mr. Backes:Sets of the depositions went out in the mail yesterday and today. I do not know which batch your set was in, but they have all been mailed.Yes, the next open meeting is scheduled for September 9 at 1:30. At this time I am unaware of additonal open meetings. The final report will not be available September 9. We are still in the editing phase and it will not go to the printer any sooner that September 15, and possibly later. We are doing everything we can to issue the report before we close and leave enough time for questions after it is issued.Which brings me to my next point -- we are in a close-down phase right now, the final report being only one of many tasks we must complete in these remaining days. Therefore, I cannot send you copies of submissions from the public regarding suggestions for the final report, however, that file will be transferred to the JFK Collection by September 30. I hope that you understand that our priorities have dramatically shifted to the closing down of a federal agency.Sincerely,Eileen SullivanTo:Eileen_Sullivan @ jfk-arrb.govcc: (bcc: Eileen Sullivan/ARRB)From:JoeBackes @ aol.com @ INTERNET @ INTERLIANT Date:09/02/98 01:59:23 PM GMTSubject:Next meetingEileen,Did you send out the medical depositions yet?
