Subject: Re: question

You don't need to worry about the earlier cite. I just need the subsection of section 5 that requires government agencies to organize and process, but actually, I don't need you to do it at all. I can look it up in the Act. Actually, the quotation doesn't start until the word "expeditious" and it ends twelve words later, after the word "records." That quote is from Section 2(b)(2) of the JFK Act. o: Laura Denk/ARRBcc: From: Kevin Tiernan/ARRB Date: 09/04/98 02:09:44 PM Subject: Question I am sure I am just being blind, but I can't identify the language you quote in Chapter four to fill in the cite. "To ensure expeditious public transmission to the Archivist and public disclosure of such records, section [...] of the JFK Act required each government agency to identify and organize all records it had pertaining to the Kennedy assassination and send them to NARA along with an electronic finding aid to ensure easier public access" This is on page one of chapter four.
