Subject: Re: CIA-IR-15

Sorry, the ! was a typo. CIA has not yet provided a written response but plans to do so in the next few days (say by next Wed.). You can either wait for their response or go ahead with your own. I know you have been working on it for a long time. I suggest you file your final memo in both the wrap-file and in the requests files. I would like a copy to put in the notebook. Do you have a list of the tapes (dates etc.) that could be included?

Let me know what you decide to do. Thanks.

Has the CIA given any written response to our request? If not I will simply close-out the wrap-up memo since I already put a lot of work into it and add the information on the tapes.

!5Could you please write up a memo for the record on the Mexico City surveillance information we received from CIA including a list of the tapes which are being processed. I can show you the format of the memo if you wish. I need the memo to go in the CIA Requests binder.
